

Harry Hynes Memorial Hospice Center Wish List

As your local, independent non-profit hospice, Harry Hynes Memorial Hospice relies on community support to sustain our mission and provide high-quality care to patients and their families when they need us. We've identified some ways that the community can assist us by providing one or more much-needed wish list items.

Harry Hynes Memorial Hospice offers an in-patient unit at Ascension Via Christi St Francis, called the **Hospice Center**, for families who would prefer to receive our services outside the home. While the patient's family is visiting their loved one, it is our hope to make their visit as comfortable as possible. While compassion, understanding and support are our main focuses, in an act of hospitality, we also provide snacks for visitors. This small act of generosity can make a big impact on a grieving family.

Below is the "wish list" of items that are wanted to enhance our patients, families, or staff's experience. Please consider designating your gift to one of the following areas of need:
