# 2023 Lights of Life Celebration

**Celebrate the life  
of someone you love  
this holiday season!**

**Lights  
of Life**

Harry Hynes Memorial Hospice is excited to bring something new and bright to the community - **the Lights of Life!** Starting in November, we will have holiday trees located in Coffeyville, Oswego, Parsons and Pittsburg, that will stand brightly and illuminate throughout the holiday season! We are starting this new tradition to celebrate the holidays and for the remembrance of family, friends, and members of our community whose memory shines brightly in our hearts.

For each **\$15 donation**, a tree light will be dedicated in memory or honor of someone special to you in the area of your choice. The name of your dedication will be included in our tree lighting ceremony, in the Lights of Life program, on our website and digital donor wall.

Support for the Lights of Life assists us in our mission enabling people to live with dignity and hope while coping with loss and terminal illness.

Join us for the official tree lighting ceremony. This outdoor event will include festive holiday music, refreshments, a brief welcome, a reflection in memory of each light that shines in memory of a loved one, and of course, the impressive moment when the tree is lit for the first time this season.

The Lights of Life will glow all holiday season so our community can drive by and visit at any time.
