

Fall 2025

Dear Community Partners,

For over 40 years, Harry Hynes Memorial Hospice has served our community as the region's only non-profit hospice. With a mission-driven heart, we place patients and families first -*empowering individuals to live with dignity and hope through the challenges of loss and terminal illness.*

Voted Wichita's #1 hospice, Harry Hynes provides expert care to those at the end of life - regardless of their financial situation or the level of care needed. We believe that every life is precious, and our mission reflects that belief in every patient and family we serve.

To sustain this meaningful work, we rely on community support. While many have supported us through memorials, estate gifts, and traditional giving, we created the **Lights of Life** campaign to expand our reach and establish a new holiday tradition of giving and remembrance.

The **2025 Lights of Life** campaign will officially launch the week before Thanksgiving. At the heart of this event is a stunning 80+ foot tree placed atop our downtown Wichita building at 313 S. Market—a bright and colorful beacon of hope and remembrance throughout the holiday season.

With each donation during the campaign, supporters can light a bulb on the tree in honor or memory of someone special. These gifts enable us to continue providing compassionate care, education, and support to those facing life-threatening illnesses.

We are blessed by community members whose continued support assists us in fulfilling our mission of care, hope and support for all when illness threatens life by providing us with the ability to never deny services to anyone needing hospice care due to lack of insurance or financial resources. Thanks to community champions like you, we never turn anyone away due to a lack of insurance or financial resources.

We are now seeking **2025 Lights of Life sponsors** and respectfully invite your business to support this heartwarming event. In appreciation of your generosity, sponsors receive the following recognition:

**Digital & Online:**

- Logo featured in *Lights of Life* graphics and event branding
- Logo placement on the *Lights of Life* landing page and event webpages
- Recognition in campaign-related social media posts (Facebook, Instagram, Twitter)
- Inclusion in *Lights of Life* campaign emails

**Print & Media:**

- Prominent logo in the printed event program
- Inclusion in event banners
- Recognition in press releases

**On-Site:**

- Brand visibility at the main branch
- Tabling opportunities at the kickoff event

We're happy to tailor sponsorship benefits to align with your company's marketing goals.

Enclosed you will find photos from last year's celebration as well as our 2025 sponsorship commitment form. I will follow up with a phone call in the coming weeks, or feel free to contact me at any time with questions.

Thank you again for your consideration and your partnership. Together, we can continue providing care, hope, and support to families in our community when they need it most.

Sincerely,

Chenay Sloan  
Director of Donor Development
