Fall 2025

Dear Friends,

## *Love Never Ends*

As the year draws to a close, we're reminded of a simple truth: **love is what endures. Love never ends.**

At *Harry Hynes Memorial Hospice*, love is at the heart of everything we do - love for our patients, their families, and our community.

Every day, our team provides comfort, compassion, and dignity to those facing life's most tender moments. We hold hands, we listen, and we bring peace to families who need it most. This sacred work is made possible because of people like you - people whose love reaches beyond themselves.

Recently, Diana, whose husband Rich passed while under our care, shared these words of gratitude: *"At the end of Rich's earthly journey, his room was full of only love - love from our family, friends, and the angels of Harry Hynes Hospice. The doctors, nurses, aides, chaplain, volunteers, and the entire team made it so peaceful and soothing even as our hearts broke. I'm so grateful that Rich only felt love in the end - free of pain or fear. Thank you for the selfless work you do every day."*

It's families like Diana and Rich's who feel the immediate impact of your generosity, the kindness of supporters who stand together to ensure that Harry Hynes remains the preferred hospice in our community.

Your **year-end gift** ensures that no one walks their final journey alone. It helps provide vital care to those without insurance, supports patients with complex care needs - including children - and offers grief counseling to families so that warmth, compassion, and hope reach every bedside.

As you reflect on what matters most this season, we invite you to **give the gift of love**, a gift that brings peace, comfort, and care to those who need it most. Every contribution, no matter the size, helps us continue our mission of *servicing with love*.

Thank you for being part of our hospice family. Together, we can ensure that **love lights the way** - even in life's most difficult moments.

With heartfelt gratitude and warmest regards,

Jerry Kerschen, President & CEO

Chenay Sloan, Director of Donor Development
