

*Sometimes we do not realize the impact our actions have on the lives of others.*

Spring 2026

Dear Community Partners,

For over four decades, Harry Hynes Memorial Hospice has served our community as the only non-profit hospice. Founded by community volunteers, we continue our mission *enabling people to live with dignity and hope while coping with loss and terminal illness*. It is with a mission-driven heart that we continue to put patients and families first.

Voted the area's #1 Hospice, we provide hospice care for those at end of life regardless of their ability to pay or level of care needed. We are the only hospice to serve pediatric patients, and those with complicated medical care. We strive to provide the highest quality of care and as experts in hospice care, we believe that every life is precious.

The way we continue this worthy cause is through generous community support. Traditional means of fundraising have long sustained our efforts, with many choosing us for their memorial or estate gift after passing. To grow our fundraising goal and reach more in our community, we are starting a new tradition - **Lanterns of Life Festival**, and we hope we can count on your support to be part of its success.

Harry Hynes Memorial Hospice **Lanterns of Life Festival** invites our community to celebrate the lives of our loved ones who have gone before us by lighting and releasing personalized water lanterns at the Harry Hynes Memory Garden ponds.

The festival is a celebration of life offering lantern decorating and activity stations, various food trucks, and live music. Immediately before the launch, reflections, prayers and blessings will be provided by multiple faith leaders.

At sunset, beautiful and lovingly decorated lanterns will be launched in the Harry Hynes Memory Garden ponds. The festival serves not only as a memorial, but also as an opportunity of healing for those grieving.

The Lanterns of Life Festival will light up the night in remembrance of those no longer with us but burn lightly in our hearts. A soft, warm, golden hue glows brightly over the Memory Garden ponds, honoring those loved ones not only for the lives they lived but the lives they touched. It says they'll never be forgotten.

We are currently looking to partner with event sponsors to support our **Lantern of Lights Festival**. We respectfully request your business' consideration. In exchange for your generous support, your business could receive the following:

- Sponsor logo on all promotional materials (posters, flyers, festival banner, programs, and website)
- Sponsor booth (20'x10') and sponsor banner at festival
- Honored in official speech
- 4 Yard signs with logo
- 8 Lanterns with your company logo or personalized as desired

Please find enclosed our sponsorship benefits detail and event flyer. We are happy to customize benefits as needed.

Thank you again for your consideration of sponsorship for **Lanterns of Life** and helping Harry Hynes Memorial Hospice provide care, hope, and support for those coping with loss and terminal illness in our community.

Sincerely,

*Chenay Sloan*
